

Gregor Dalziel appointed as new Managing Director for Train Door Solutions

30th of June 2021

We are pleased to announce Gregor Dalziel appointed as the new Managing Director, reporting to Company Director Tomi Ojala, to lead the business going forward from 1st of July 2021.

Gregor brings a history of management and engineering experience gained in the Railway and Engineering industry. Having recently returned to the UK from working overseas we are excited to welcome him to our business and providing him the necessary support to ensure our continued success.

“Train Door Solutions is a company with experienced and competent employees who provide high quality products and world-class service to a number of leading customers in the UK railway industry. I am much looking forward to, together with the team, continue to develop the Company.”, says Gregor Dalziel.

“Polarteknik is very excited to develop Train Door Solutions created by Nigel Mason and his team. I have great confidence that Gregor will lead TDS to a strong growing company for its’ existing and new customers.”, says Tomi Ojala, Company Director of Train Door Solutions.

Nigel Mason will support the appointment of our new Managing Director and undertake the role of Sales and Marketing Manager until the end of the year. Vanessa Mason will continue to act as Company Secretary and manage the transition of Finance responsibility to Kerry Nunn as Finance Officer.
